

IMPACT-IAAC 2026 Sponsorship Package

Since its inception in 2006, the IMPACT Conference, jointly organized by IEEE-EPS, iMAPS Taiwan, ITRI, and TPCA, has served as a premier international forum for research exchange across the packaging, PCB, and semiconductor ecosystem, bringing together academia and industry to advance electronic technologies and systems.

IMPACT-IAAC 2026 will be held on October 19–22 in conjunction with the iMAPS All Asia Conference (IAAC) under the theme “Energy-Efficient AI: From Computing to Systems and Applications.” The conference will focus on key enabling technologies that connect device-level innovation with system-level integration and real-world applications. The program will include several focused forums and sessions, such as the IAAC Forum, Heterogeneous Integration, Market Trends, Glass Core Technologies, and Industrial Sessions, highlighting the latest developments across the electronics supply chain.

As a sponsor, your company will enjoy exclusive access to cutting-edge research and the opportunity to showcase your innovative products and solutions to key decision-makers. Additional benefits include company promotion and the chance to elevate your company's reputation. We cordially invite you to join us as a valued supporter.

【Conference】 IMPACT-IAAC 2026 | 21st International Microsystems, Packaging, Assembly and Circuits Technology Conference

【Date】 Oct. 19 (Mon.)-22 (Thu.), 2026

【Venue】

Oct.19 - Grand Hilai Taipei

Oct.20-22 - Taipei Nangang Exhibition Center, Hall 2 (TaiNEX 2)

【Theme】 Energy-Efficient AI: From Computing to Systems and Applications

【Organizer】 IEEE-EPS, iMAPS Taiwan, ITRI, TPCA

【Program Features】 Plenary speech, Industrial session, Special session, Invited talks, PDC

【Co-located Exhibitions】 TPCA Show, TAITRONICS, AIoT Taiwan

Sincerely,

Shin-Puu Jeng

Shin-Puu Jeng, Ph.D.

General Chair of IMPACT-IAAC 2026

President, iMAPS-Taiwan

Vice Chair, IEEE EPS Taiwan

Vice President, Applied Materials
